

HARBORTOUCH PIZZERIA

THE POINT OF SALE SYSTEM THAT WILL REVOLUTIONIZE YOUR BUSINESS FOR FREE!*

USEFUL FEATURES

- Table tracking with a graphical table map
- Split checks, share items and transfer tickets to other servers
- Create item discounts to accommodate daily specials, coupons or happy hour
- Customer database is ideal for loyalty programs or direct marketing
- Easily add, edit or remove menu items, modifiers and menu categories

ADVANCED REPORTING

- More than 80 built-in reports help reduce accounting and bookkeeping expenses
- Monitor financials
- View sales history to predict volume and schedule employees appropriately
- Track inventory for accurate supply ordering
- Identify sales trends, bestselling items and productive employees
- Monitor discounts, voids and refunds
- Database stores all information indefinitely for unlimited history reporting
- Export as PDF, Excel, .csv, .rtf or other file formats

THE LIGHTHOUSE

The Lighthouse is a proprietary management and reporting tool that communicates information between your Harbortouch POS system and the Interactive Merchant System, an online portal for Harbortouch merchants

- Access the information on your POS system from any computer with an Internet connection
- Run various real-time reports and even make changes to your menu remotely

It has never been easier to take advantage of the benefits of a point of sale (POS) system. Harbortouch offers a full-featured point of sale system without all the hassle or the high cost. We removed the cost barrier and simplified the process so you can easily transition from your current transaction terminal to a state of the art touch-screen POS system that will streamline your business operations and automate your daily management activities. Harbortouch offers countless time and money saving features that will allow you to focus on what's important: keeping your customers satisfied and spending!

STREAMLINE YOUR BUSINESS

- Combine multiple operations into one easy-to-use application
- Accept cash, checks, credit and debit directly through your POS system
- Track inventory and monitor stock depletion
- Manage employee schedules and productivity
- Track employee hours with a built-in time clock
- Comprehensive reports provide a top-level picture of your business

HARBORTOUCH PIZZERIA FEATURES

- Unlimited list of toppings
- Add toppings to halves, quarters or the whole pizza
- Change sizes and crusts with a single touch
- Specialty pizzas can be configured to default with pre-set toppings (i.e., Hawaiian, meat lovers, everything, etc.)
- Supports caller ID integration

ONSITE INSTALLATION AND EXCEPTIONAL SUPPORT

- Experienced and certified installation professionals make sure your system is set up correctly the first time
- 24 hour in-house customer service and technical support
- Remote support allows the Harbortouch support team to repair any software issues at any time

THE COMPLETE PACKAGE

When investing in a Harbortouch POS system, you're not only getting state-of-the-art software; you are also getting top-of-the-line hardware. Each piece of equipment that makes up every Harbortouch system has been specifically developed to perform in the most demanding restaurant environments. Unmatched in durability and reliability, a Harbortouch system will provide a point of sale solution for years to come.

*Monthly service fee and merchant account agreement are required.
