

HARBORTOUCH QSR & DELIVERY

THE POINT OF SALE SYSTEM THAT WILL REVOLUTIONIZE YOUR BUSINESS FOR FREE!

It has never been easier to take advantage of the benefits of a point of sale (POS) system. Harbortouch offers a full-featured POS system without all the hassle or the high cost. We removed the cost barrier and simplified the process so you can easily transition from your current transaction terminal to a state of the art touch-screen POS system that will streamline your business operations and automate your daily management activities. Harbortouch offers countless time and money saving features that will allow you to focus on what's important: keeping your customers satisfied and spending!

QSR & DELIVERY FEATURES

- Driver management features allow you to easily assign drivers to specific orders. View order details and even see how long each order has been waiting.
- Advanced mapping functionality for delivery orders allows you to print directions right on the receipt paper. You can even print directions with multiple stops to deliver more than one order in a single trip.
- Advanced caller ID integration – easily manage incoming calls. View each customer's contact information and order history as the call comes in and then assign each call to a new order in a single step.
- Split checks, share items and transfer tickets to other servers.
- Create item discounts to accommodate daily specials, coupons or happy hour
- Customer database is ideal for loyalty programs or direct marketing.
- Easily add, edit or remove menu items, modifiers and menu categories.
- Advanced reporting functionality.
